

## LIMITED WARRANTY

Dynadata warrants that (a) the SOFTWARE PRODUCT will perform substantially in accordance with the accompanying written materials for a period of sixty (60) days from the date of receipt, and (b) any Support Services provided by Dynadata shall be substantially as described in applicable written materials provided to you by Dynadata, and Dynadata support engineers will make commercially reasonable efforts to solve any problem issues. Some states and jurisdictions do not allow limitations on duration of an implied warranty, so the above limitation may not apply to you. To the extent allowed by applicable law, implied warranties on the SOFTWARE PRODUCT, if any, are limited to sixty (60) days.

### CUSTOMER REMEDIES

Dynadata's and its suppliers' entire liability and your exclusive remedy shall be, at Dynadata's option, either (a) return of the price paid, if any, or (b) repair or replacement of the SOFTWARE PRODUCT that does not meet Dynadata's Limited Warranty and which is returned to Dynadata with a copy of your receipt. This Limited Warranty is void if failure of the SOFTWARE PRODUCT has resulted from accident, abuse, or misapplication. Any replacement SOFTWARE PRODUCT will be warranted for the remainder of the original warranty period or thirty (30) days, whichever is longer. Neither these remedies nor any product support services offered by Dynadata are available without proof of purchase from an authorized source.

### NO OTHER WARRANTIES.

This limited warranty gives you specific legal rights. You may have others, which vary from state/jurisdiction to state/jurisdiction.

### LIMITATION OF LIABILITY.

To the maximum extent permitted by applicable law, in no event shall Dynadata or its suppliers be liable for any special, incidental, indirect, or consequential damages whatsoever (including, without limitation, damages for loss of business profits, business interruption, loss of business information, or any other pecuniary loss) arising out of the use of or inability to use the SOFTWARE PRODUCT or the provision of or failure to provide Support Services, even if Dynadata has been advised of the possibility of such damages. In any case, Dynadata's entire liability under any provision of this License shall be limited to the greater of the amount actually paid by you for the SOFTWARE PRODUCT or U.S.\$5.00; provided, however, if you have entered into a Dynadata Support Services Agreement, Dynadata's entire liability regarding Support Services shall be governed by the terms of that agreement. Because some states and jurisdictions do not allow the exclusion or limitation of liability, the above limitation may not apply to you.
